Home of the Best American Brunch!

Established in 2018 by Taiwo and Kehinde Smith, we aim to offer a world-class brunch experience in Lagos. Taiwo crafts all recipes, and Kehinde leads marketing and branding, ensuring top-quality food and service. Inspired by their hometown Chicago and nationwide brunch experiences, the twins have developed a diverse menu of gourmet dishes to satisfy both local and international guests.

"Our mission is to provide customers with Chicago-based family recipes using the finest ingredients. We believe food should be simple, sustainable, and locally sourced. We are proud to be Nigeria's first original American brunch restaurant."
